## Introducing the T.B.L. School Bands Festival Guest Adjudicator for 1998 Mr David Roffe

Mr David Roffe has worked with the NSW Department of School Education for the past 19 years. Originally trained as a Primary School teacher he followed up with post-graduate studies in Expressive and Performing Arts at the University of New South Wales and a post-graduate diploma in Education Studies at the New South Wales Conservatorium of Music. He developed his conducting through The Australian Band and Orchestra Directors Association where he studied conducting under Robert Rosen and Jerry Nowak. Currently, he is the Musical Director of The Georges River Concert Band. David developed the highly successful Connells Point Public School Band Program. This program now boasts over 100 players in two ensembles. The band regularly toured the East Coast of Australia and was used by the Department of Education as a show band for visiting educators and performed at many

official functions. Following his time as a classroom teacher, David worked on the Metropolitan East Instrumental Project where he was involved in setting up bands, while training teachers how to lead their ensembles. He is continually called upon to organise and present in-service courses on the many aspects of organising and running school music programs. These courses have been presented for the New South Wales Department of School Education, private schools, and the Australian Band and Orchestra Directors Association (ABODA). David's other musical experience includes administering the Pan Pacific Music, Dance, Choral, and Jazz Camps for the past twelve years. He is currently Vice-President of the NSW branch of ABODA. David has been principal band conductor for the Metropolitan East Music Festivals and tutor for the Sydney Schools Symphony Orchestra. In recent months, David has been working closely with Studio 19 Sydney in providing musical instrument solutions to schools throughout NSW. The organisers sincerely thank Studio 19

for their support of this  
event.
