**Ken MacDonald – B.A. (Music), Dip. Ed.
Victoria**

Ken was one of those fortunate people to be born into a musical family and to grow up in an atmosphere where music was part of daily life.

He was born in Sunderland, England at the end of the Second World War. Even though Ken has studied and played under many famous musicians, he firmly believes that he owes most of his success to his father Stanley, who taught and encouraged him as a young boy. Stanley conducted many Brass Bands, composed and arranged and concentrated a lot of time to the development of younger players, his involvement spanned over seventy fruitful years.

At the age of eleven Ken started his playing career and over the next five years gained many honours in Solo Competitions, including a hat trick of wins at the Northern England Championships. He was accepted into the National Youth Orchestra and Youth Brass Band of Great Britain after a series of auditions at the early age of fourteen.

After completing his secondary education Ken went on to Oxford to do more studies. In 1966 he was approached by Harry Mortimer to join one of his "Men of Brass" Bands, Morris Motors. This was the beginning of his association with England's Top Bands.

The following year Ken took up his first teaching post in Barnsley, Yorkshire and joined The World famous Grimethorpe Colliery Band as Assistant Principal Cornet and was soon promoted to Principal Cornet. Through this involvement he gained valuable experience, not only in guest appearances, but conducting and adjudicating.

In 1974 Ken made another career move, to the renowned Black Dyke Mills Band. The following nine years proved even more successful in many areas: Contests, cutting numerous records, (including many with the Virtuosi and National Bands of Great Britain) making many television and radio appearances and playing an average 80-100 concerts per year.

Ken has conducted, produced and performed in many recording, including the world famous London Symphony Orchestra and Paul McCartney and Wings. He has also performed at the celebrated "Henry Woods Promenade Concerts" at the Royal Albert Hall in London, toured America and nearly all of Europe, as well as playing for the Royal Family.

Since his arrival in Australia in 1983 Ken has played a significant part in the development of Concert and Brass Bands, imaginative concerts, the production of many compact discs and an enviable record of Competition successes. He has adjudicated and assessed performances throughout Australia, Europe, America and New Zealand.

Ken is an assessor for various State Education Boards as well as an examiner for a National Music Board. He has made many guest appearances (playing and conducting) and conducted seminars and workshops for Boosey & Hawkes and Yamaha. He retired from serious playing to take up the Musical Directors position with The Hawthorn City Band in 1985, leading them to five National Championships, many State and overseas titles, as well as tours to America and New Zealand.

Although throughout his life Ken has concentrated his efforts with Brass Bands, he has spent a lot of time rehearsing, adjudicating and the development of Concert Bands and is at present Musical Director of two Concert Bands, a Symphony Orchestra and various Brass ensembles and has worked with many other College and School Bands. He is presently employed at Balwyn High School as Head of Brass Studies and Concert Band Co-Coordinator.

Ken's inspiration, energy, experience and humour inspire everyone who comes in contact with him. This is reflected in the many fine performances under his baton.

He is well respected as an astute adjudicator, assessor and examiner and has continued through the years to give helpful, constructive and informative comments.
